

One page of 4 images – be sure to select the ones which best illustrate your project!

This page can be portrait or landscape in orientation, whichever best suits your images and should be stapled behind your two page entry page.

Image 1 – a great picture of the project which you are entering

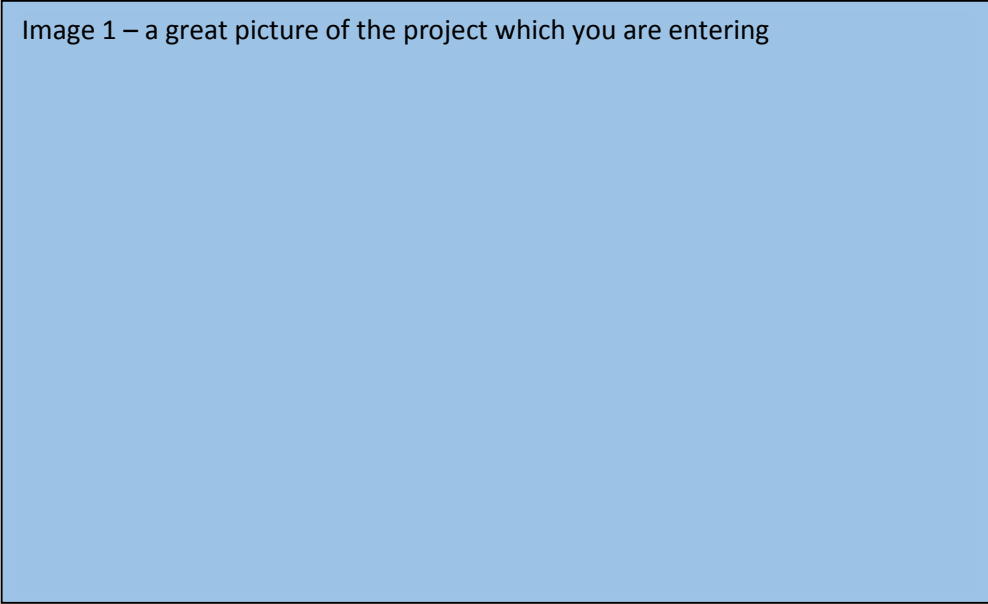

Image 2 – another great picture of the project which you are entering

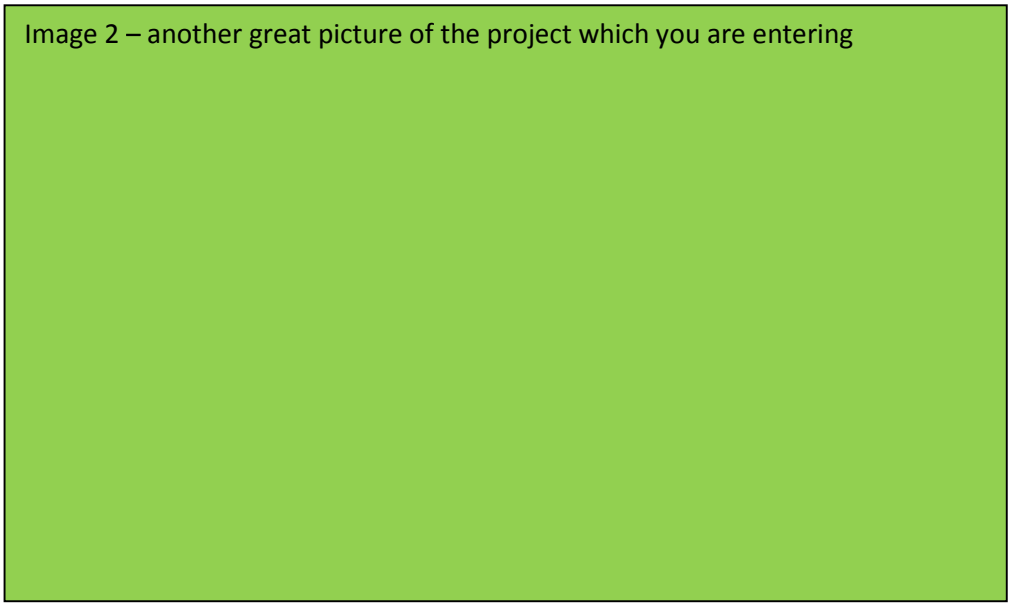

Image 3 – another great picture of the project which you are entering

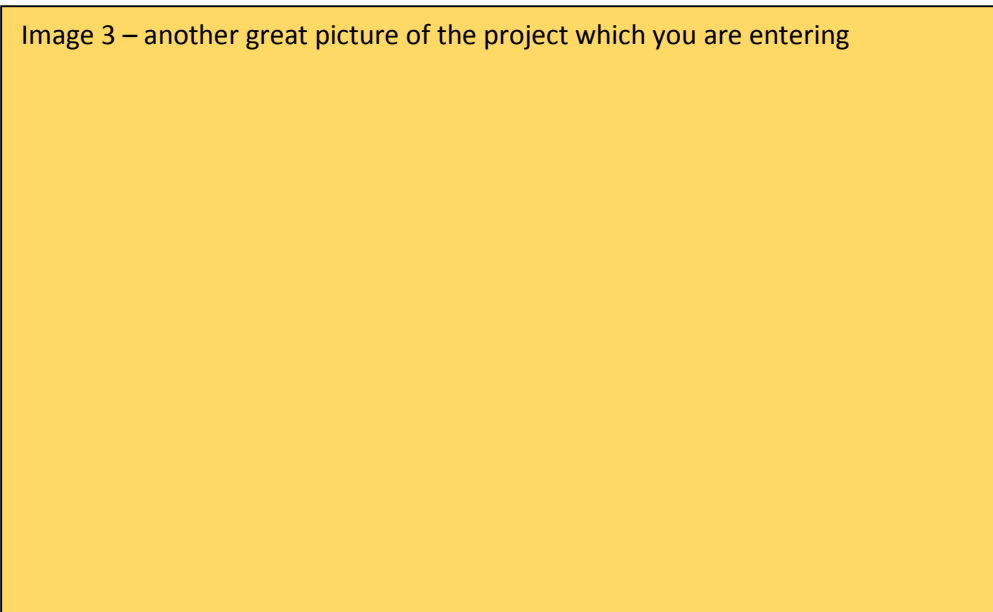

Image 4 – another great picture of the project which you are entering
